BACK TO SCHOOL TIME!

Just a reminder to everyone that District # 200 classes began on Monday, August 17, 2015 with Marian Central Catholic High School and St. Mary Catholic School having started on Thursday, August 27, 2015. While driving please be alert to the additional pedestrian traffic as children walk to and from school each day. Illinois law requires drivers to stop and yield to pedestrians in crosswalks. Remember to obey the 20 M.P.H. speed limits in designated school zones. In addition, be alert to school bus stop arms and warning lights indicating that the bus is loading or unloading students. No vehicle may overtake or pass a school bus with the stop arm extended.

The Police Department will have extra patrol assigned around the schools initially to help ensure safety while everyone becomes accustomed to school being open again. PLEASE DRIVE CAREFULLY!

COFFEE WITH THE CHIEF

Chief of Police Robert Lowen cordially invites you to attend his monthly “Coffee with the Chief” open house to share a cup of coffee and let him know what’s on your mind. The informal get-togethers are held the second Monday of every month from 7:00 p.m. to 8:30 p.m. in the Training Room at the Police Department located at 656 Lake Avenue.

Chief Lowen is eager to answer any questions you may have or discuss specific concerns impacting your quality of life in our Community. In addition to Chief Lowen, there is often a guest speaker who speaks briefly about his or her job experiences as they relate to the Police Department or the City, or someone from an outside agency or organization that Chief Lowen feels would be of interest or beneficial to “coffee” attendees. Recent speakers have included: Permanent Beat Officer (PBO) Fred Eiselstein for Beat #21 (northeast quadrant of the city); PBO Adam Schraw for Beat #22 (northwest quadrant); PBO Andrew Reitz (southwest quadrant); and PBO Michael Karnath (southeast quadrant.)

Upcoming speakers scheduled include McHenry County State’s Attorney Lou Bianchi in August and Jeri Pulver of the Laura Twirls Suicide Awareness Foundation in September.

If you have a topic you would like Chief Lowen to consider for “Coffee with the Chief,” please contact Administrative Office Manager Tamara Reed with your suggestions at 815-338-6787 or at treed@woodstockil.gov.

WHO IS YOUR POLICE BEAT OFFICER?

The Police Department has divided the City of Woodstock into four geographical areas for its Permanent Beat Officer Program. These areas, or police beats, have Officers assigned to them on an annual basis. The program allows Officers to get to know their individual beat and the residents who live and work there and to become familiar with the problems and concerns specific to that area. Officers have been trained in various Community Policing and Problem Solving Policing concepts and strive to work with the residents of their police beat for safety, service and problem resolution.

Some of the projects that the Permanent Beat Officers continue to work on include: gang graffiti eradication; parking enforcement in and around the Square; dog owners and leash laws; youth riding bicycles and skateboards on the Square; and analyzing traffic crash data on Route 47 to identify problem areas.

Residents may contact their beat Officers at any time by phone (815-338-2131); mail (656 Lake Avenue) or email (either use the first initial of your Officer’s first name and his entire last name plus @woodstockil.gov or direct it to your specific beat number as in PBO21@woodstockil.gov.)

Beat 21 Officers are Christopher Naatz (M), Charles Vorderer (D) and Fred Eiselstein (A). Beat 22 Officers are David Sharp (M), Kevin Tietz (D) and Adam Schraw (A). Beat 23 Officers are Daniel Henry (M), Richard Dolan (D) and Andrew Reitz (A). Beat 24 Officers are Brett Muehlfelt (M), Cory Fink (D) and Michael Karnath (A).

BE PREPARED FOR HALLOWEEN

Halloween can be a fun and exciting time for children, but it can also be a frightful time for parents. To help ensure everyone has a fun and festive Halloween, the Woodstock Police Department offers the following safety tips:

FOR HOMEOWNERS:

- Make certain that your yard and sidewalk are clear of obstacles or decorations that may be hard to see in the dark.
- Keep your house well lighted both inside and outside.
- Don't wait to report any suspicious or criminal activity to the police department.

FOR TRICK-OR-TREATERS:

- Try to make use of facial makeup instead of masks, as they may obstruct one's vision.
- Keep costumes short to prevent the wearer from easily tripping.
- Wear brightly colored costumes or attach reflective strips to costumes and bags. Also, carry a flashlight or glow stick once it gets dark out.
- Watch out for cars and be careful around jack o'lanterns or other decorations with burning candles.
- Visit homes in your neighborhood that you are familiar with.
- Always let your parents inspect your candy before you eat it and dispose of any item with a torn wrapper or that you are suspicious of. When in doubt - throw it out!

**THE RECOMMENDED HOURS FOR TRICK OR TREATING IN THE CITY OF WOODSTOCK
ARE 4-7 P.M. ON SATURDAY, OCTOBER 31, 2015.**

SENIOR CITIZEN CALL-IN PROGRAM

It is understood that many Senior Citizens within our Community live alone without the benefit of a local family member to check on them frequently. In an effort to provide peace-of-mind and a sense of well-being for our Community's Seniors, the Police Department offers the Senior Citizen Call-In Program.

To be eligible to participate in the program:

1. A person must be sixty-five (65) years of age or older.
2. A person must live alone in a single-family residence (which includes townhomes, apartments and condominiums) which is not part of any senior citizen facility, senior citizen assistance organization or any other organized assisted living program or situation.
3. A person who has no immediate family residing within McHenry County, Illinois.

Those eligible to enroll in the program will need to complete a simple and confidential one-page application form as well as executing a waiver form. It will additionally be necessary that the participating Senior Citizen provide the Police Department with a key to their residence to be used in the event of an emergency. This key will be securely stored in a locked box at the Police Department.

Once accepted into the Program, the Senior Citizen is responsible for calling the Police Department Communications Center between the hours of 6:00 a.m. and 10:00 a.m. each and every day of the week. If this call is not received by 10:00 a.m., a Telecommunicator will call the Senior's

residence to check on their well-being. If there is no answer at that time, a Police Officer will be sent to the residence and, using the key provided, will ascertain whether or not help is needed.

Senior Citizens interested in obtaining an application to be considered for participation in the program are encouraged to contact Administrative Office Manager Tamara Reed at 815-338-6787 during the hours of 8:30 a.m. to 5:00 p.m. Monday through Friday.

TRAFFIC CONCERNS

Q. WHY WASN'T I ISSUED A WARNING INSTEAD OF A TICKET? I HAVEN'T HAD A TICKET IN 15 YEARS.

A. Although Officers are allowed to use discretion, simply not having a ticket in "x" amount of years does not necessarily mean the law was not violated. Officers are present to educate the public and enforce the law. If an Officer determines probable cause for a citation exists, it is the Officer's responsibility to enforce the law. If anyone breaks a traffic law in Woodstock and a Police Officer stops you, it is possible that you will receive a ticket. Remember, it is the Officer's job to enforce the law and it is not a personal attack. It is certainly not the most pleasant part of an Officer's job, but it is part of his job.

Q. WHEN CAN MY 16 YEAR OLD DRIVE?

A. The graduated licensing law is straight forward. Drivers with a graduated driver's license (those 16 and 17 years of age) must stop driving prior to one hour than curfew time. For instance, curfew is at 11:00 p.m. Sunday - Thursday. Drivers holding a graduated driver's license cannot drive after 10:00 p.m. or earlier the 6:00 a.m.

On Friday and Saturday nights, the curfew is midnight. Therefore, teens can drive until 11:00 p.m.

Exceptions are clearly outlined on the Secretary of State's website www.cyberdriveillinois.com.

As for passengers, teens can only have one unrelated passenger under the age of 20 in the vehicle for the first 12 months of having a license.

Reminder: The use of cell phones or any type of electronic handheld device is illegal and strictly prohibited while operating a motor vehicle in the State of Illinois.

Q. CAN I PASS A STOPPED SCHOOL BUS COMING FROM THE OTHER WAY ON A FOUR-LANE ROAD? WHAT ABOUT PASSING A BUS WHEN THE YELLOW LIGHTS ARE ON?

A. If it is a four-lane road (such as some parts of Routes 14 and 47) and the school bus is stopped with its red lights on and stop arm extended, the opposing lanes do not have to stop. If a motorist is traveling in the same direction as the bus on this four-lane road, the vehicle MUST stop. If it is any other typical two-lane road, traffic in both directions must stop.

School bus drivers typically turn on flashing yellow "warning" lights at least 150 feet prior to their bus stop. This provides motorists with plenty of time to safely stop prior to the red lights and stop arm extending. A conviction for passing a stopped school bus is a minimum mandatory fine of \$500 and a three-month suspension of a driver's license.

DEPARTMENT OF PUBLIC WORKS STREET MAINTENANCE AND RESURFACING PROJECT

The annual Street Maintenance and Resurfacing Program is one of the most important projects the City undertakes each year to continue to provide a quality street system for the City's residents. The provision of an adequate system of roadways is a basic function of municipalities as it directly impacts the livability and economic development of the community. A significant amount of time and effort is expended to identify, evaluate, and prioritize all of the roadwork needs throughout the community.

On June 16, 2015 the Woodstock City Council approved the low bid of \$878,334.59 from Geske and Sons, Inc. for the 2015 Street Maintenance and Resurfacing Program. The revenue for this year's program is derived from a combination of Tax Increment Financing (TIF) funds and General Capital Improvement Program (CIP) funds.

The work includes concrete curb and gutter removal and replacement, pavement patching, milling, repairs to the road base and resurfacing with bituminous hot mix asphalt. When completed, a total of approximately 4.06 miles of roadway will be resurfaced. Work is scheduled to begin in early September and will be completed by early October, weather permitting. The newly paved streets will then be re-stripped as part of the 2015 re-stripping program which should be completed by the end of October.

Streets that are scheduled for resurfacing and maintenance as part of the 2015 Street Resurfacing Program are as follows:

STREET	FROM	TO
Halma Lane	Boulder Lane extension	Cul-de-sac
Calhoun Street	Jefferson Street	Madison Street
Clay Street	Grove Street	First Street

If you have any questions about this project, please contact the Department of Public Works, 815-338-6118.

LEAF COLLECTION

The Department of Public Works collects bulk leaves curbside during a four-week period in the fall. Although we cannot guarantee that each and every leaf will be collected during this time, we do collect the majority of

leaves. Residents are asked to rake loose leaves to the parkway for collection but should **NOT** rake leaves into the street. Leaves that have been raked into the street can plug storm sewer intakes and cause unnecessary flooding during rain events. Leaf collection will begin on Monday, October 26 and, **weather permitting**, will include the following schedule:

MONDAY, OCTOBER 26

Leaves will be collected from all streets north of the railroad tracks during the week of October 26. Residents in this area must have their leaves raked to the parkway by 7:00 a.m. on Monday, October 26.

MONDAY, NOV. 2

Leaves will be collected from all streets south of the railroad tracks during the week of November 2. Residents in this area must have their leaves raked to the parkway by 7:00 a.m. on Monday, November 2.

MONDAY, NOV. 9

Weather permitting, the final collection from all streets north of the railroad tracks will be made during the week of November 9. Residents in this area must have their leaves raked to the parkway by 7:00 a.m. on Monday, November 9.

MONDAY, NOV. 16

Weather permitting, the final collection from all streets south of the railroad tracks will be made during the week of November 16. Residents in this area must have their leaves raked to the parkway by 7:00 a.m. on Monday, November 16.

If you would like the City to collect leaves at your property, it is very important that you have the leaves raked to the parkway on these specific dates. **NO VEHICLES SHOULD BE PARKED ON THE STREET WITHIN TWENTY (20) FEET OF ANY LEAF PILE.** Residents who prefer to bag their leaves for collection may call the Public Works office at 815-338-6118 to request pickup of bagged leaves. Leaves must be placed in paper bags only. The bulk collection of leaves along state highways can be dangerous for the leaf collection crews, and residents along Route 47 and Route 120 are encouraged to bag their leaves and phone the Public Works Office to arrange for collection. This, however, is only a request and is not mandatory.

Once the scheduled bulk collection is completed, there is a possibility that the Department of Public Works will continue to collect bagged leaves the following week. Contact the Department for more information.

Emerald Ash Borer (EAB)

The Emerald Ash Borer is an Asian beetle that was first found in the USA in 2002, and was found in Illinois in 2006.

It's been determined that the beetle's larvae cause the majority of damage to Ash trees as they nibble on the tree's inner bark, which carries nutrients and water through-out the tree. When a tree is infected with EAB, you may first notice the tree's crown or canopy dying. Also, new branches may begin to sprout from the tree's trunk and lower branches.

Unfortunately, many of the Ash trees in Woodstock are infested with EAB and are in a stage of decline. The City will continue to respond to calls for inspection and maintenance of Ash trees, as well as all trees that need attention.

If you believe you have an Ash tree that could be infested with EAB, don't hesitate to call the City's Department of Public Works, 815-338-6118, to request an inspection from the City's Arborist.

You can find additional information regarding firewood regulations and EAB treatment on the Illinois Department of Agriculture's EAB website: <http://www.agr.state.il.us/eab/>

HYDRANT FLUSHING

The fall hydrant flushing has been scheduled for:

Tuesday, September 8 through Wednesday, September 16 – west of Illinois Route 47
Thursday, September 17 through Friday, September 25 – east of Illinois Route 47

There is no scheduled hydrant flushing on Saturdays or Sundays.

During these three weeks, some loss of pressure and discoloration of water will occur. This condition will not present any health hazard and will only be temporary. Due to this discoloration, residents are urged to check their water quality prior to doing laundry and to avoid doing any laundry when hydrants will be flushed in your area. If you have any questions regarding the hydrant flushing, or when flushing will occur in your neighborhood, please contact the Department of Public Works at 815.338.6118, or via e-mail at pwdept@woodstockil.gov.

New Leadership at Public Works

The City is pleased to share that Jeffrey Van Landuyt earned promotion to the role of Public Works Director, from the position of Assistant Public Works Director, effective in June of 2015. As Director, Van Landuyt now oversees operations of six divisions, including Administration, Streets & Fleet, Parks & Facilities, Water Treatment, Waste Water Treatment and Water & Sewer Maintenance, with 55 total employees and a budget of \$5.3 million. The position of Assistant Director will be filled soon, following a recently completed recruitment process. Please join us in wishing Jeff all the best in his new role!
